IX. **DIFCA FILM EXCHANGE/SCOUTING POLICY** *Edited August 8, 2017*

For the betterment of Delaware High School Football and to improve the coaching relationships throughout the state, DIFCA has placed several recommendations on film exchange and scouting.

1. Each head coach will make arrangements to view each other’s film from the two most recent games.
2. It is the responsibility of each head coach to provide the opposing coach a full and complete game that is of good quality.
3. Regardless if a team has a chance to see your game or not, it is still recommended as a general courtesy that all coaches exchange the last two games of the regular season or final pre-season game.
4. Coaches are prohibited from scouting or filming scrimmages unless arrangements have been made with all teams involved in the scrimmage to allow scouting and filming. Sending a parent or associate to film the game without the consent of the opposing coach is prohibited.
5. It is recommended that players be reminded by their coaches not to attend the opposing team’s scrimmages.
6. It is highly suggested that all state tournament teams exchange any four games from the regular season. This will be up to the opposing coaches to decide and select which games to exchange.
